No Added Preservatives • For All Horses

THE MISSING LINK

The Original Equine Superfood Supplement™

Veterinarian Formulated for
Nose-to-Tail Health

The Missing Link[®] Well Blend[®] + Joint helps support a balanced diet for your horse by targeting the nutritional gap between commercial feeds and what nature intended – now with more joint support. The fresh-ground flaxseed base is rich in balanced Omega 3 & 6 fatty acids that are essential for everyday health, the heart and cardiovascular systems, and healthy joints. Plus our proprietary, patented cold processing ensures maximum nutrient retention while our packaging keeps it fresh without preservatives – all of this makes The Missing Link[®] The Original Equine Superfood Supplement™.

Guaranteed Analysis per 1/3 cup (40 g) serving:

Minimum values unless otherwise stated	
Crude Protein.....	18%
Crude Fat.....	28%
