**Net Contents 1 PT (.473 l)**

Product Code: 10122

RM#: 300503470 • 08-1930

\* Equivalent to 0.4% (butylcarbityl)(6-propylpiperonyl) ether and 0.1% of related compounds.

\*\* Contains Petroleum Distillate

WIPE® Original Formula Fly Protectant provides effective, long-lasting fly protection for horses and ponies. Repels horse flies, house flies, stable flies, deer flies, gnats, and mosquitoes. Also kills them on contact. Actually helps remove dirt and dandruff. Imparts a high sheen to the hair when brushed out. Has a light, bright, pleasing fragrance.

**PRECAUTIONARY STATEMENTS:**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS - CAUTION**

Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

**FIRST AID: IF SWALLOWED:** Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **IF YOU SUSPECT A REACTION TO THIS PRODUCT:** Discontinue use. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-234-2269 for emergency medical treatment information.

**NOTE TO PHYSICIAN**

Contains petroleum distillate - vomiting may cause aspiration pneumonia.

**ENVIRONMENTAL HAZARDS:**

This product is toxic to fish. Do not apply directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinsate.

Wipe, Farnam and the Farnam logo are trademarks of Farnam Companies, Inc. ©2008, 2009 Farnam Companies, Inc.

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not use on horses or foals intended for slaughter. Wash hands with soap and water promptly after use.

**SHAKE WELL BEFORE USING:** Before applying WIPE® Original Formula Fly Protectant to your horse, brush him down thoroughly to remove loose dust and dirt. Moisten, but do not soak, a folded piece of Turkish toweling (approximately 12" x 15") or an applicator mitt with WIPE® Original Formula Fly Protectant. Rub briskly against the growth direction of the hair. Give special attention to the shanks, legs, shoulders, neck and facial areas of the horse where flies tend to cause the greatest problems. Add more WIPE® Original Formula Fly Protectant to the applicator as needed, applying approximately one to two ounces for the total application on a daily basis (the variance will depend on the size of the horse). Groom with a brush. To kill attached ticks, dab WIPE® Original Formula Fly Protectant directly on the tick with a saturated cloth. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears.

**STORAGE & DISPOSAL: STORAGE:** Store in a cool, dry place. **DISPOSAL:** Nonrefillable container. Do not reuse or refill this container. **If Empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
